International Invitation Triples – 21st Feb '11

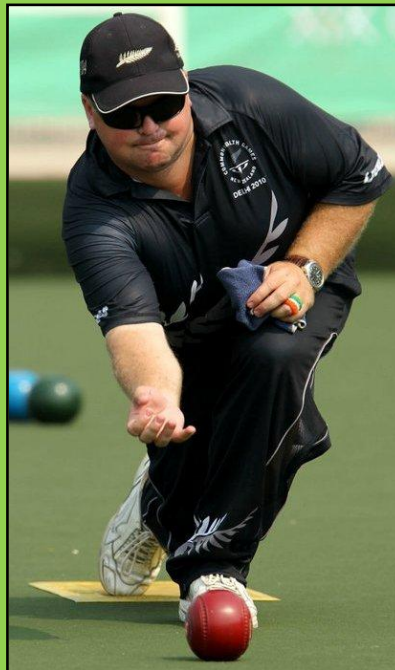

Its countdown time now to Easter as we gear up for the inaugural \$20,000 AllTeams International Invitation Triples. Some of the biggest names in the game have accepted invitations. The second team we profile have strong ties with the host club – Onehunga- being Australian based Black Jack Richard Girvan's New Zealand club & also the home club of local product Danny Delany.

This combination is brimming with firepower... International skips Richard Girvan & Dan Delany are two destructive top-end players who have the ability to swing games in the blink of an eye.

Girvan has been the mainstay of the NZ mens Black Jacks since '05 & was a part of the Gold Medal winning Four at the 2008 World Championships. The big southpaw commands respect on & off the green. He has honed his play in recent years in Sydney playing the NSW Premier League, including a victory with Taren Point in '08. He will relish the chance to play with Delany, the local Onehunga product.

Lead Mike "Sausage" Carroll may prove the perfect foil for Girvan & Delany – an accomplished player in his own right & steady front man. He burst onto the scene in '06, winning the Wellington Open Singles as a junior, & has since played alongside the likes of Internationals Gary Lawson, Andy Curtain, Justin Goodwin & Matt Gallop at Eastbourne.
